

LITTLE BOY: These are germs.

LITTLE BOY 2: They look like worms but --

LITTLE GIRL: That look like trash.

LITTLE BOY 2: Yeah.

LITTLE GIRL 2: Their small.

LITTLE GIRL 3: Probably slimy --

LITTLE GIRL 4: Goocy and --

YOUNG GIRL: It would have like big bulgy eyes.

LITTLE BOY 3: Probably all different shapes.

LITTLE BOY 4: Little round things.

LITTLE BOY 5: It would look like a tiny red, gooshy dot.

LITTLE BOY 6: It makes you more sick
and sick and sick.

YOUNG BOY: This green chemical
that can spread around.

YOUNG WOMAN: A little mini monster that enters your body and just infects everything.

YOUNG MAN: Something that attacks your body. And it gets in there and it does all destruction and stuff, that's what I think it is.

LITTLE BOY 7: It's just gross, just plain old gross.
